## **Activity in the United States Attorney's Office**

**Christopher A. Crofts**, the United States Attorney for the District of Wyoming announces that a death has occurred on the Wind River Indian Reservation. The deceased is a juvenile and therefore, pursuant to United States Code title 18 section 3509, the United States is strictly forbidden from divulging the identity of the deceased.

U.S. Attorney Crofts would like to assure the community that an investigation is underway and the utmost attention is being devoted to this matter.

The death was initially reported to the Bureau of Indian Affairs who immediately began a full-scale investigation. The Bureau of Indian Affairs/Wind River Police Department, the Federal Bureau of Investigation, the Riverton Police Department, the Riverton Fire Department, the Fremont County Coroner and the Wyoming Department of Homeland Security are all cooperating in the investigation of this matter.
